

1255

330

A technical drawing of an L-shaped profile. The vertical leg is on the left, and the horizontal leg is at the bottom. The vertical leg has a dimension of 1255, indicated by a vertical dimension line with arrows at both ends. The horizontal leg has a dimension of 330, indicated by a horizontal dimension line with arrows at both ends. The drawing shows the profile with a slight gap between the legs, suggesting it might be a cross-section of a channel or a similar component.
